Our School

The community of De Motte has caused its school plant to expand and grow with its expanding and growing needs. Some of De Motte's senior citizens can remember the steps in its growth from rather humble beginnings and point with pride to the building and its many fine facilities we now enjoy.

The first high school work began in September 1914 in a new two story brick building and the first class was graduated in 1918. An addition to the building was made in 1919. Enrollment increased, particularly in the lower grades, so that in 1933 it was necessary to erect a two room building north of the main building to house the first and second grades.

In 1935, it was possible to add a new west wing to the original building. This included a gymnasium-auditorium, three class rooms, library room, home economics room, assembly hall, lavatories and shower rooms, and a new heating plant. Also the old building was reconditioned. This was done at a cost of about \$65,000, part of which was made available under the Federal Government's Public Works Administration. The class of 1937 was the first to be graduated from this new building.

The community continued to grow and school enrollment increased sharply immediately after World War II, so that in 1956-57 it was again necessary to increase the size of the building. A new south wing was added to house the first six grades. Also included were an excellent gymnasium-auditorium with shower and rest rooms, and new administration room and teachers room. The west wing was completely changed, the upper floor being divided into four large classrooms and hall lockers were added. The lockers were made possible by the P. T. A. The old gymnasium was made into a cafeteria with facilities to serve both elementary and high school.

We are very grateful to all those who have made it possible for us to secure an education.

Class Poems

by

Sheila St. John & Judy Post

We're really not much for writing verse,
But this is the job we're assigned to do;
So we're ready and willing to do our best
To make this class poem of interest to you.

I guess we'll start with our sponsors,
Who really helped us along.
We're glad they're sticking with us
'Til we sing our commencement song.

Mr. Abbring was our sponsor.
A helper grand was he,
The good advice he gave to us;
Was accepted gratefully.

Our other sponsor is really great
Mrs. Trastor is her name.
She's a friend to everyone of us
Our sponsor we're glad she became.

And now we start with the Seniors,
The first is a lot of fun.
With short blonde hair and eyes of blue,
Dave Bauman is the one.

Mary Lou Boer is next in line,
To get her name in this verse.
Mary Lou's the class Vice-President,
We could have done much worse.

Here's another, Mary Boer
This one's Mary Grace.
Whatever life may send her way,
She'll always be ready to face.

This tab says Tom Boring.
Such a friend was never found;
Always willing to help his neighbor,
I wonder where he'll be bound.

And now we meet a Bovenkerk,
Paul is his first name.
You ask him what he wants from life?
Of course its happiness and fame.

Jim Bunning is the next you see,
We all agree he's very neat.
He has a quiet and friendly way
We are sure he'll be a success some day.

We come now to Donna DeVries,
She's really quite a girl.
If anything new comes along,
She's ready to give it a whirl.

Next you see is Kenny DeVries
He always is quite hep.
Whenever Kenny winks his eye,
The girls really flip.

Now we meet a Drinski,
He's really not so bad
He's always full of energy,
Yep, Larry's quite a lad.

Then comes Richard Eenigenburg
A boy with quite a long name
I'm sure he will be hunting for
Good fortune and fame.

And now we meet Bill Eenhiustra,
Fine he's called for short.
He's in basketball and track
He's certainly a good sport.

And now we proudly present to you
Jasper County's Beauty Queen.
Her name is Judie Gardner,
She's really pretty keen.

Anna Mae Hamstra is next on the roll
Her scholastic achievements reach a high goal.
Her loves been music since the day she was born,
She plays the piano and also a horn.

Lornell Hamstra's a friend of all;
She has brown hair and is rather tall.
She would be called a "Hot Rod Queen"
But couldn't spare the gasoline.

And now we meet Dave Hart,
He's really quite a lad.
He likes to play football;
And he's never, ever sad.

Next we call on Joyce Justice,
A varsity cheerleader, too;
She a short slim girl with light brown hair
And sparkling eyes of blue.

Margie Kaluf's a popular girl,
And no one would question why.
Always bubbling over with life,
Dyke is sure a lucky guy.

He's known as the flirt of the Senior Class,
Who gets acquainted with every lass.
By this introduction no more need be said,
For Ralph Kenning we imagine will soon be wed.

Carol Klimp is a slim sweet girl,
Really a nice friendly lass.
A friend to all, not just a few
She's an asset to our class.

Margaret is the next in line,
Twin sister of Carol K.
Her hair is that of golden blonde;
Or that of a newborn day.

There is a girl within our class,
Who's willing to do her part.
She plays the clarinet in our band
Joyce Kooy is really smart.

Next is Jack Marotta,
An interesting sort of lad.
Loves to argue with teachers;
He's really not so bad.

Next comes a girl with very fine features,
She's liked by her classmates as well as her teachers.
At school she rates among the best.
Linda Moolenaar, you probably have guessed.

About Pat Mucha we shall report,
She has brown hair and is quite short.
To be a school teacher, is her desire,
And this position I'm sure she'll acquire.

Next we come to Matt D. Musch
As Poison Eddie he was great.
Never planning life ahead,
He leaves it all to fate.

Sharon Nannenga is next
For us to write about.
She's so full of fun that she's
One we couldn't do without.

Lorna Odle is the next one
About whom I have to write.
She is always full of fun,
Yes, Lorna's quite all right.

Linda Orsburn we'll call on next
She's quite a lot of fun
Looking for someone who laughs a lot?
Osbe is the one.

And now I guess its time
To write a few lines about me,
Being the Class President
This year has kept me quite busy.

Bill Postma's a happy go lucky boy
His '59 Chevie is his pride and joy.
His sense of humor can't be beat,
He's 6 inches tall, with an added 5 feet.

Here comes quite a necker
The names Roger Recker.
He's always there to share the load
Makes no difference how hard the road.

Joan Sekema we introduce next
She'd rather be called JoAnn
Whatever she tries to do in life,
We're mighty sure she can.

And now we meet a tall slim girl
Always full of fun,
She has rather quiet ways
Carol Smith-she's the one.

Judy told me to write my own;
This I will try to do all alone.
My ambition is shared by many another,
To be a wife and understanding mother.

Once there was a girl named Mary
They said that she was quite contrary.
But they must have been confused
For Starkey is the name she used.

Her ways are rather quiet ways,
She has a smile for all;
Joan Takcas grades are always tops,
She's really on the ball.

Joyce Terborg is a friendly lass,
Smiling to all she meets.
As those who know her best, we say
She really is a treat.

Now here's Karen Vander Molen
A class queen of '59
She's a tall brunette with pretty blue eyes;
We all agree she's mighty fine.

Here's Karen's twin sister Mary,
As cheerleader she's on the beam.
Leading the frenzied crowd in a yell
She really boosts our team.

Ronnie Walstra a likable chap
He's tall and slim with eyes of blue.
He's a member of the basketball team,
I'm sure he's known to all of you.

Marilyn Wiers has dark brown hair,
And her complexion is quite fair.
To be a housewife is her desire,
This position I'm sure she'll acquire.

Rudy is a boy everyone adores,
In every sport he really scores.
It looks easy to see him run the mile,
But best of all is his cute little smile.

Hello, ladies and gentlemen. This is Paul Harvey bringing you the latest news. My, but we have a lot of news today!

Total consumption of cigarettes is at the highest level in history and the trend upward is expected to continue. "This must stop," says Mr. Thomas Boring, head of the Anti-Cigarette Committee.

The famous inventor, Matt Musch, has just been awarded the Nobel "Peace" Prize for his latest invention. His invention? A very quiet car that will not squeal or dig out.

A bulletin has just reached me that Professor William Postma has been captured by those English professors, Linda Moolenaar and Joyce Kooy, who had vowed to chase him to the ends of the earth. Professor Postma, you remember, is the University of California Anti-English instructor who wrote the book on the proper use of the word "Ain't."

Rudy Zylstra, representing the United States in the World Olympic Games, almost broke the world record for pole-vaulting yesterday. His fantastic leap was not recorded because his parachute failed to open. Zylstra could not be found for comment.

Explorers William Eenshuistra and Richard Eenigenburg have just announced from Africa that the natives in that cannibal country are hostile to them. This is due to the wonder serum they passed out to get rid of the Tsetse flies. This serum, as stated by Dr. James A. Bunning in his famous book "How to Cure Anything and Everything," is in reality causing an epidemic of primordialism.

Folks, are you ever at a loss as to what a word means? Don't ever be embarrassed by this lack of knowledge again. Just run to your nearest drug store and get your copy of "Drinski's Dictionary for Doltish Demagogues" by Larry Drinski. Oh yes, my dictionary tells me that "Primordialism" means "return to the old habits."

Back to the news: The Soviet Radio Tass has announced that the American Specialists, Surgeons Sheila St. John and Mary Lou Boer, are attempting for the tenth time to remove the bullet lodged in Mr. Khrushchev's back.

And back in the United States, Miss Donna DeVries and Joyce TerBorg, presidential and vice-presidential candidates for the Republican party, are campaigning hard today in Iowa. Says Miss DeVries: "What this country needs is a woman President!!"

Sharon Nannenga, superintendent of the Happy Dale Asylum, has reported a sharp increase in patients. Chief Specialist of the Asylum, Dr. Paul Bovenkerk, cannot explain why.

Miss Mary Starkey, owner of the famous "Starkey String" of Restaurants, reports that burglars broke into her warehouse and stole 3,000 tons of tea bags. Therefore, she will not be able to make tea for her customers until these tea bags are recovered.

Mary Boer, editor of the New York Times, reported in the July 27, 2013, issue that the David (Hart) Brinkly and David (Bauman) Huntly Report has been disqualified as a contestant for the Newscasting Award because it stated the truth in its last report.

The Klump Company (Carol and Margaret) has contributed \$50,000,000,000 for advance research on ways to make more money.

The Triple J Ranch, owned and run by Joyce Justice, Joan Takacs, and Judie Gardner, has just reported an \$11,000,000 increase in income last year. This is due primarily to the outstanding set of bookkeeping records kept by two of the world's top accountants, Anna Mae Hamstra and Margie Kaluf. Kenneth DeVries, head of the Internal Revenue Department of the Federal Government, is still trying to compute their tax payment.

Singers Ralph Kenning and Roger Recker arrived in New York City yesterday for a television show. When asked if they really came from a town called DeMotte, they replied-quote: "Must we answer that question?"

Folks, did you know that the airways are the safest places to travel? The latest survey shows that the Much-Mush-Mucha Airlines records only seventeen accidents per thousand miles last year. This was revealed by President Pat Mucha at a news conference last night. This commercial was sponsored by the Wiers Insurance Agency. See Marilyn Wiers for insurance before you fly.

FBI Head, Ronald Walstra, reports that his chief assistants, Mary and Karen VanderMolen, have criminals so confused that they made a record of 14,695 arrests last year. Captured criminals complain that when the two come at them, they don't know where to turn.

Joan Sekema and Lornell Hamstra have revealed their intentions to spend their vacations on the moon. Says Joan: "This world is in such a mess. I just want to get away from it all."

Judy Post reported to the police that someone broke into her Chinese laundry last night and made off with about fifty pairs of long underwear. Miss Post says that she doesn't care about them, but she hoped the police can recover her book "How to Develop a Chinese Accent," which was also stolen.

Do you remember the big fight between Lorna Odle and Linda Orsburn who were both determined to marry King Saud of Mesopotamia? Well, King Saud has finally chosen his Queen! Who is she? Carol Smith!!! Miss Smith said that this came as a complete surprise to her. As a matter of fact, she didn't even know there was a King Saud until this morning!

Five-Star General Jack Marotta has announced his plans to overthrow the Slobovian government. When asked how he planned to do this, General Marotta replied, "First I have to find Slobovia!!"

For "Drinski's Dictionary for Doltish Demagogues" and for Wiers Insurance Agency, Paul Harvey
..... good day!!!

Last Will and Testament

We the members of the Senior Class of De Motte High School in the year of nineteen hundred and sixty-one, who are about to leave these cherished halls for the trials and tribulations of a cruel world, being of sound mind, body and spirit not being under the influence of any person, drug, or liquor of any kind (we hope!), also being of generous heart, do hereby in this our last will and testament dispose of our most prized and cherished possessions to subsequent and probably ungrateful heirs.

I, Dave Bauman, will my ability to go with older girls to Dave Grevenstuk and Jody DeYoung.

We, Mary Boer and Lornell Hamstra, will our good times to Tom Marotta and Bob Hanaway. Have fun boys, we sure did!

We, Tom Boring, Larry Drinski, and Carol Smith, will our ambitious ways to Jerry Koster, Gene DeYoung, and Lewis Mann.

We, Mary Lou Boer, Joan Takacs, and Judy Post, will our ability to stay out of trouble to Dave Watson, Wayne Van Veren, and Tom Schaefer.

I, Paul Bovenkerk, will my little black book to Dale Bovenkerk. Lets keep it in the family.

We, Donna DeVries and Sharon Nannenga, will our height to Chuck Abbring. This should help you in basketball if you stay on the good side of the coach.

I, Richard Eenigenburg, will my acting ability to Eileen Hamstra. With this you should win the Academy Award.

We, Mary Vander Molen, Karen Vander Molen, and Joyce Justice will our cheerleading ability to Mary Fritts and Sharyl Sipkema.

We, Roger Recker and Jim Bunning, will our good natured ways to Andy Nannenga.

I, Margie Kaluf, will my ability to hold on to my man to Joy Berghorst. So far so good, just keep up the good work Joy.

I, Dave Hart, will my car????? to Gene Hanaway. Its better than walking.

I, Carol Klimp, will my sweet disposition to Sally Van Meerten.

I, Margaret Klimp, will my blonde hair to Howard Holms. How's that for a change Howard?

I, Joyce Kooy, will my quiet ways to Catherine Swart. Shhhhh!

We, Jack Marotta, Lorna Odle, and Pat Mucha, will our ability to get along with the teachers to Jim Klimp. What will you do with all the brownny points????

We, Linda Moolenaar and Joyce Terborg, will our ability to study to Lynda Walstra and Jerry DeYoung.

I, Linda Orsburn, will my curly hair and short skirts to Mirriam Hittle.

I, Joann Sekema, will my sweet temper to John Walstra. Now take it easy John!

Library Aides

Shelia St. John, Pat Mucha, Judy Post, Mrs. Mann, Joan Sekema, Catherine Swart, Teresa Groet.

THE LIBRARY SERVES EVERYONE IN THE SCHOOL

The library facilities have been improved during the recent years, and the book collection is growing. Last spring the librarians counted approximately 2,119 books in the library proper. This does not include the new science books that were purchased under the government appropriation nor does it include the individual room libraries in the grade school. Last year the trustee appropriated money to be spent on books at the rate of \$2.00 per enrolled pupil in the whole school. Last year and this year the funds spent are being concentrated in building up the non-fiction section of the library. Magazines are provided for reference and the students' enjoyment.

Also this band has participated in the Purdue High School Band Day and received recognition for this activity. In the concert band we have many soloists and ensembles which participated in the N. I. S. B. O. V. A. contest in DeMotte this year. The band also appeared in the State Band Contest in the Spring.
